Year ended DECEMBER 31, 2020

1. Purpose of the Organization:

The Sons of Norway Foundation in Canada is incorporated under Part II of the Canada Corporations Act and is a registered charity under the provisions of the Income Tax Act of Canada. The purpose of the Foundation is to maintain funds obtained by bequests, gifts and donations to be used exclusively for charitable and educational endeavours through scholarships and grants.

The financial statements do not include the accounts of Sons of Norway Foundation or the various independent Sons of Norway lodges throughout Canada, none of which are under the control of the Board of Directors of the Foundation.

2. Significant Accounting Policies:

a) Revenue Recognition:

The Foundation follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received.

b) Donated Services:

These financial statements do not reflect donated services from individuals as the value of these donated services is not determinable. Sons of Norway provides clerical and administrative services to the Sons of Norway Foundation in Canada. The value of these services has not been recorded or determined.

c) Investment Income:

Interest income on term deposits and Guaranteed Investment Certificates is accrued as earned.

d) Financial instruments:

The Foundation's financial instruments consist of cash, term deposits, Guaranteed Investment Certificates and accrued interest receivable. It is the directors' opinion that the Foundation is not exposed to significant foreign exchange, interest rate and credit risks arising from these financial instruments and that the carrying values approximate fair values.

3. Unrestricted Net Assets:

Unrestricted net assets represent funds which are fully available, at the discretion of the Board of Directors, for the Foundation to utilize in any of its programs or supporting services.
